

MOST ADVANCED SOLAR LIGHTS

About Us

At EPYK TECHNOLOGIES, we are dedicated to offering solar energy solutions that meet our customers' needs. Our goal is to provide cutting-edge, long-lasting and cost-effective portable solar products.

Our ultimate mission is to combat the increasingly harmful effects on the environment by providing accessible, affordable and clean energy options. We strive to make a positive impact on both the environment and the economy with our innovative solar solutions

Our solar lighting range meet style and functionality and together they create captivating illumination for your outdoor spaces. From elegant wall lights to architectural driveway and lighting bollards, our home lighting collection offers a touch of modern sophistication to enhance the ambiance of your living environment.

EPYK Solar Lights are meticulously designed to provide exceptional quality and performance for your home illuminate your living spaces with our carefully curated range of home solar lighting options and enjoy the simplicity of harvesting the sun's energy and elegantly transform your everyday surroundings with beautiful accent lights.

MOON Solar Wall Light

Moon solar wall lights effortlessly combine style and functionality, seamlessly integrating into your outdoor aesthetic and providing reliable, solar-powered lighting.

Watts / Lumens 10w / 1000 lm	Solar Panel 0.5W - Polycrystalline	Battery Li-Ion 2000mAh
German LED (OSRAM) 4000K	PIR Motion Sensor Range 120°, >3 M	Water Resistant IP65

MARS Solar Wall Light

The Mars solar wall light is a versatile addition to any space. Its simple installation process and convenient portability make it the perfect choice for emergency lighting needs.

Watts / Lumens 10w / 1000 lm	Solar Panel 1.5W - Monocrystalline	Battery Li-Ion 2000mAh
German LED (OSRAM) 4000K	PIR Motion Sensor Range 120°, >3 M	Water Resistant IP65

MERCURY Solar Wall Light

Enhance your outdoor oasis with the Mercury solar wall light. Its sleek and contemporary design is complemented by a generous 4-5 night working time and a 180 degree rotational angle.

Watts / Lumens 20w / 2000 lm	Solar Panel 1W - Monocrystalline	Battery Li-Ion 2000mAh
German LED (OSRAM) 4000K	PIR Motion Sensor Range 120°, >3 M	Water Resistant IP65

SOLARIS Solar Wall Light

Introducing Solaris a sophisticated blend of design and practicality, crafted to suit diverse needs of illuminating outdoor spaces.

Watts / Lumens
10w / 1000 lm
German LED (OSRAM)
4000K

Solar Panel
2.0W Monocrystalline
PIR Motion Sensor Range
120° Degree > 5 Meter

Battery
Li-on-2000mAh
Water Resistant
IP 65

Meta Solar Wall Light

Discover meta, the slim sleek-line angular solar powered wall light that adds a touch of architectural flair to any outdoor space .

Watts / Lumens
10w / 1000 lm

Solar Panel
2w - Monocrystalline

Battery
Li-Ion 2000mAh

German LED (OSRAM)
4000K

PIR Motion Sensor Range
120, >3M

Water Resistant
IP54

ASTEROID Solar Wall Light

Asteroid, an architecturally designed outdoor solar wall light bringing style and intelligent illumination. The Sphere Glows evenly to light more uniform and soft.

watts / Lumens 10w / 1000 lm	Solar Panel 1.5w - Monocrystalline	Battery Li-Ion 2000mAh
German LED (OSRAM) 3000K & 4000K	PIR Motion Sensor Range 120°, >3 M	Water Resistant IP54

COMET Solar Wall Light

This modern solar wall light features a built-in sensor for automatic ON/OFF. It charges during the day and lights up at night—no wiring needed. Weatherproof and energy-saving, it's ideal for patios, walls, and entrances.

Watts / Lumens 10w / 1000 lm	Solar Panel 2.9w Monocrystalline	Battery Li-on-2000mAh
German LED (OSRAM) 4000K	PIR Motion Sensor Range 120°, >8 M	Water Resistant IP 44

NOVA Solar Wall Light

Unveiling Nova solar powered wall light, a contemporary masterpiece that seamlessly compliments modern aesthetics and sleek design with up and down lighting creating a beautiful pattern on the wall.

watts / Lumens
7w / 700 lm

Solar Panel
1.5w - Monocrystalline

Battery
Li-Ion 2000mAh

German LED (OSRAM)
3000K & 4000K

PIR Motion Sensor Range
-

Water Resistant
IP54

QUBE Solar Wall Light

Introducing Qube, a modern solar powered light redefining outdoor illumination with its twin up- down light . Experience the difference a smart and modern solar light can make.

watts / Lumens
7w / 700 lm

Solar Panel
1.5w - Monocrystalline

Battery
Li-Ion 2000mAh

German LED (OSRAM)
4000K

PIR Motion Sensor Range
120°, > 5M

Water Resistant
IP54

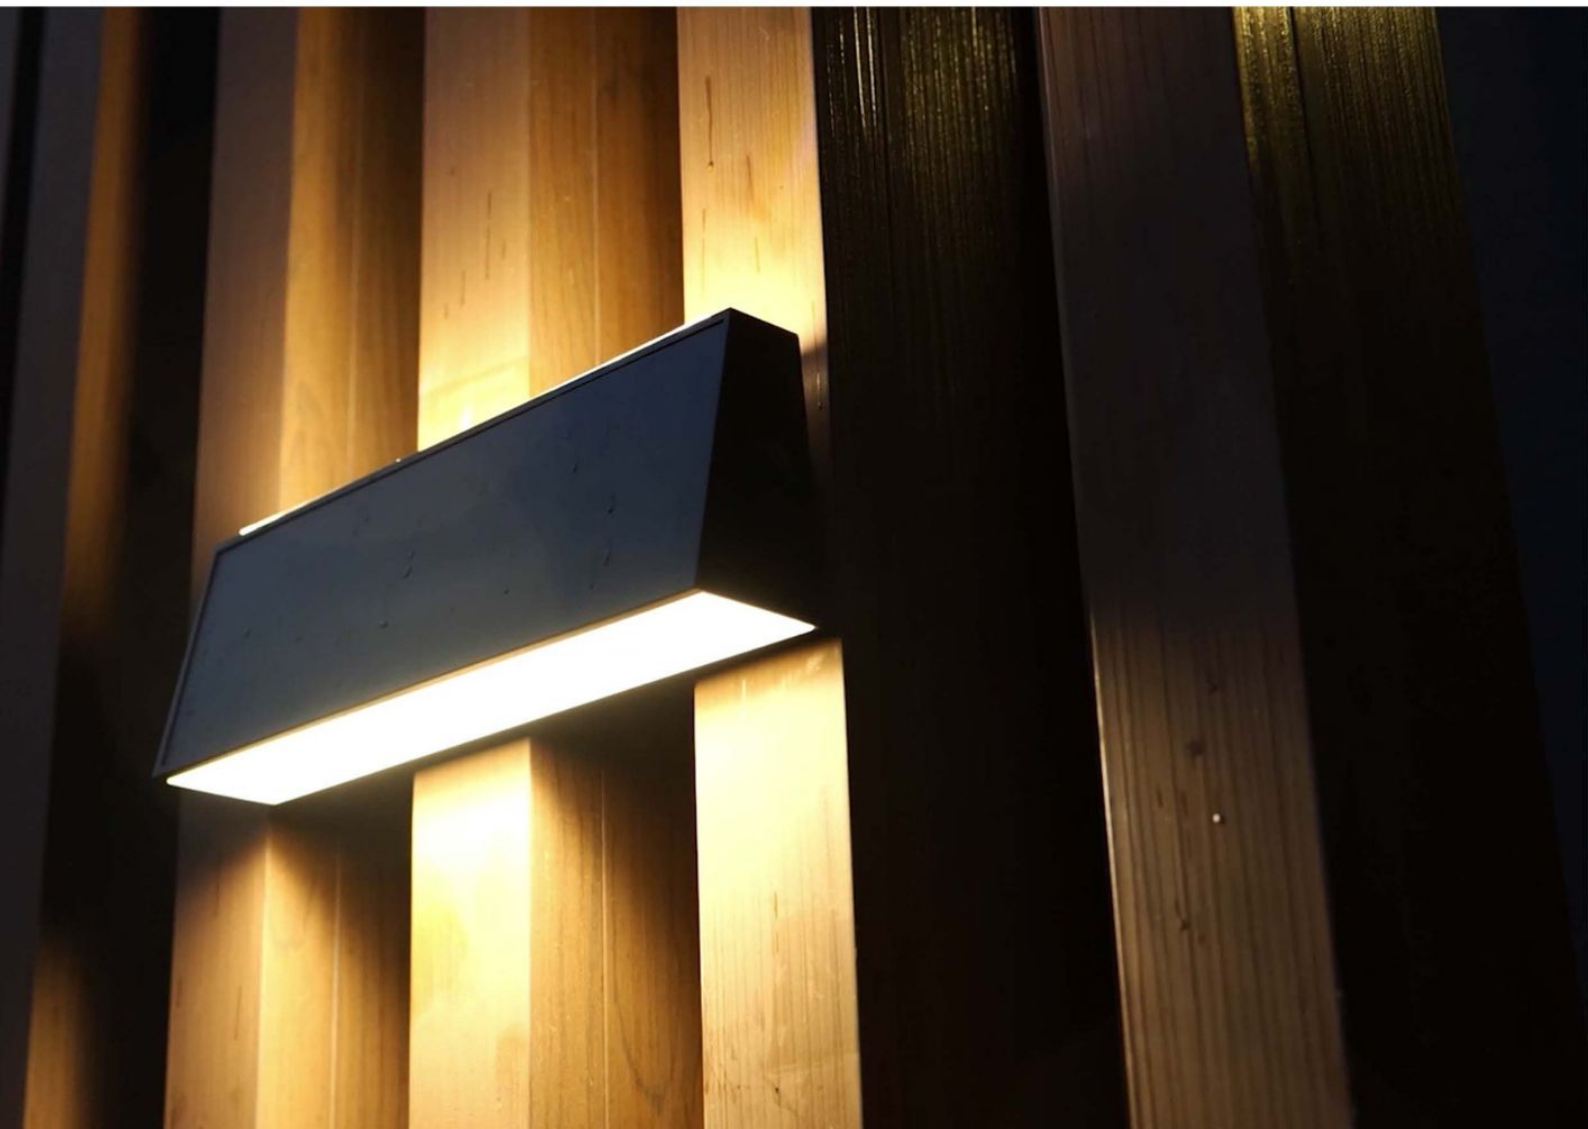

COSMO Solar Wall Light

A Sleek, linear rectangular solar powered light with modern architectural design and smart functionality. Cosmo offers blend of style and convenience providing eco - friendly way to illuminate outdoor spaces.

Watts / Lumens 7w / 700 lm	Solar Panel 1.3W Monocrystalline	Battery Li-on-2000mAh
German LED (OSRAM) 4000K	Dimensions(HxW) -	Water Resistant IP 54

FLARE GL Solar Gate Light

An artistic blend of classic lantern with modern elegance.
Flare isn't just a solar light it's a statement.

Watts / Lumens
5W/ 350LM

Solar Panel
2W - Monocrystalline

Battery
Li-Ion 2000mAh

German LED (OSRAM)
3000K & 4000K

Dimensions(HxW)
13"x 8"

Water Resistant
IP56

FLARE WL Solar Wall Light

Retro charm with modern luminosity.

True allure of Flare lies in its adaptability from a wall mounted solar light to a traditional lantern.

Watts / Lumens
5w / 350LM

Solar Panel
2w - Monocrystalline

Battery
Li-Ion 2000mAh

German LED (OSRAM)
3000K & 4000K

Dimensions(HxW)
13"x 8"

Water Resistant
IP56

FLARE PL Solar Pathway Light

The design pays homage to classic lantern yet introduces a modern twist with its Edison Filament style led bulb crafted to suit the diverse needs of your outdoor Pathways providing ambient lighting in your gardens .

Watts / Lumens
5w / 350LM

German LED (OSRAM)
3000K & 4000K

Solar Panel
2w - Monocrystalline

Dimensions(HxW)
38"x 8"

Battery
Li-Ion 2000mAh

Water Resistant
IP56

PLUTO Solar Pathway Light

Pluto, with its aluminum alloy body and tempered glass, deliver exceptional performance, day or night, effortlessly transforming your outdoor space.

Watts / Lumens 1w / 100 lm	Solar Panel 1.9W - Monocrystalline	Battery Li-Ion 2000mAh
German LED (OSRAM) 3000K	Dimensions(HxW) 10"x 6"	Water Resistant IP65

EARTH Solar Pathway Light

Revamp your conventional outdoor lighting to a contemporary style by using earth solar pathway lighting.

Watts / Lumens
1w / 100lm

German LED (OSRAM)
3000K

Solar Panel
1W - Monocrystalline

Dimensions(HxW)
21"x 4"

Battery
Li-Ion 1800mAh

Water Resistant
IP65

JUPITER Solar Pathway Light

The Jupiter solar outdoor light is an optimal lighting solution for both commercial and residential settings. Harnessing sustainable energy, it provides the best illumination option available.

Watts / Lumens 1w / 100 lm	Solar Panel 1.9W - Monocrystalline	Battery Li-Ion 2000mAh
German LED (OSRAM) 3000K	Dimensions(HxW) 30"x 6"	Water Resistant IP65

ZENITH

Solar Focus Light

A sleek and modern solar spotlight designed to complement any garden. Effortlessly stylish yet impressively powerful, delivering 500 lumens of brightness.

Watts / Lumens 5w / 500 lm	Solar Pannel -	Battery Li-on- 2000mAh
German LED (OSRAM) 3000K	Modes 4 mode	Water Resistant IP65

POLARIS

Solar Pathway Light

Solar Bollard Light – perfect for gardens, driveways, and pathways. Designed for durability with waterproof construction and a built-in light sensor. Sleek and modern, it delivers adjustable brightness from 25% to 100%, offering up to 500 lumens of powerful illumination. Ideal for serene and stylish outdoor spaces.

Watts / Lumens 5w / 500 lm	Solar Pannel -	Battery Li-on- 2000mAh
German LED (OSRAM) 3000K	Modes 4 mode	Water Resistant IP65

GLOBE Solar Pathway Light

Enhance your outdoor space with this stylish crackle-glass solar light. It automatically charges by day and lights up at night—no cables or power required. Built to withstand all weather, it's ideal for pathways, gardens, and patios.

Watts / Lumens 15lm	Solar Panel 0.7w Polycrystalline	Battery Li-on-2000mAh
German LED (OSRAM) 4000K	PIR Motion Sensor Range	Water Resistant IP 54

ALPHA Solar Gate Light

Experience the state of art solar technology ,
phenomenal brightness and resilient design .
Illuminate your surroundings , enhance security
and contribute to sustainable future

Watts / Lumens
20w / 2000 lm

Solar Panel
5w - Monocrystalline

Battery
Li-Ion 2200mAh

German LED (OSRAM)
4000K

Dimensions(HxW)
13"x 11"

Water Resistant
IP65

BETA Solar Wall Light

Fusion of strength and precision
Combining sustainability with remarkable
Illumination, beta represents a zenith of solar
technology integrated into everyday security lighting.

Watts / Lumens
20w / 2000 lm

German LED (OSRAM)
4000K

Solar Panel
5w - Monocrystalline

Dimensions(HxW)
12.5"x 11"

Battery
Li-Ion 2200mAh

Water Resistant
IP65

BEETLE Solar Table Lamp

The Beetle Solar Table Light is an enchanting outdoor lighting solution that seamlessly blends the magical charm of a mushroom with the comfort of a tiny house. This delightful piece adds a touch of playfulness to any garden, patio, or outdoor space.

Watts / Lumens 5W/ 500LM	Solar Panel 1.5W - Monocrystalline	Battery 2000mAh
German LED (OSRAM) 4000K	LENS ANTI- GLARE	Water Resistant IP56

RAMA Solar Street Light

The Rama solar street light is perfect for lighting up streets and roads. It features a PIR motion sensor that brightens up when vehicles or people pass by, offering enhanced illumination.

Watts / Lumens
20w / 2000 lm

Solar Panel
5W - Monocrystalline

Battery
Li-Ion 2600mAh

German LED (OSRAM)
57000K

PIR Motion Sensor Range
120°, >3 M

Water Resistant
IP65

GAMMA Solar Pathway Light

Immerse in the power of solar innovation. Engineered with top tier solar panel system designed to endure and perform making them ideal for both residential and commercial outdoor settings .

Watts / Lumens
20w / 2000 lm

Solar Panel
5w - Monocrystalline

Battery
Li-Ion 2200mAh

German LED (OSRAM)
4000K

Dimensions(HxW)
84" (Including Pole)x 11"

Water Resistant
IP65

Watts / Lumens 30w / 3000lm	Solar Panel 5W - Polycrystalline	Battery Li-Ion 2600mAh
German LED (OSRAM) 4000K	PIR Motion Sensor Range 120°, >3 M	Water Resistant IP65

SUN-40 Solar Flood Light

The sun solar flood light is an ideal lighting solution for various locations such as warehouses, farmhouses, villages, urban areas and more where there is an electricity shortage

Watts / Lumens 40W / 4000lm	Solar Panel 10W - Monocrystalline	Battery Li-Ion 3600mAh
German LED (OSRAM) 4000K-5700K	Remote Control To adjust brightness & lighting time	Water Resistant IP65

SUN-60 Solar Flood Light

The sun solar flood light is an ideal lighting solution for various locations such as warehouses, farmhouses, villages, urban areas and more where there is an electricity shortage

Watts / Lumens 60w / 6000 lm	Solar Panel 10W - Monocrystalline	Battery Li-Ion 3600mAh
German LED (OSRAM) 4000K-5700K	Remote Control To adjust brightness & lighting time	Water Resistant IP65

GALAXY Solar Flood Light

The Galaxy Solar Flood Light is designed for various outdoor spaces like warehouses, billboards, highways, and large parks. It's perfect for places where having enough light is important. The light has a solar panel that can be adjusted to catch the sunlight better. This makes it handy for places where you need extra light, such as big storage areas, billboards, or open parks.

Watts / Lumens
30W/ 3000LM

German LED (OSRAM)
4000K

Solar Panel
Monocrystalline, 7W

PIR Motion Sensor Range
120°, > 8M

Battery
Li- Ion 3.7V 10,000mAh

Water Resistant
IP65

LEO-30 Advance Landscape Light

A solar street light with a user-friendly display, adaptable installation, rain-sensing features, and robust design for dependable, customizable lighting.

RAIN
SENSOR

Watts / Lumens
30w / 3000lm

German LED (OSRAM)
3000K-5700K

Solar Panel
10w - Monocrystalline

PIR Motion Sensor Range
120°, >8M

Battery
Li-Ion 10000mAh

Water Resistant
IP65

LEO-60 **Advance Landscape Light**

Innovative solar street light with smart features, versatile mounting options, and rugged durability for all-weather reliability.

RAIN
SENSOR

Watts / Lumens
60w / 6000lm

Solar Panel
16w - Monocrystalline

Battery
Li-Ion 10000mAh

German LED (OSRAM)
3000K-5700K

PIR Motion Sensor Range
120°, >8M

Water Resistant
IP65

LEO-90 Advance Landscape Light

A sleek solar street light offering smart controls, weather resistance, and flexible setup for consistent, efficient lighting.

RAIN
SENSOR

Watts / Lumens 90w / 9000lm	Solar Panel 20w - Monocrystalline	Battery Li-Ion 10000mAh
German LED (OSRAM) 3000K-5700K	PIR Motion Sensor Range 120°, >8M	Water Resistant IP65
